

FLAMINGO
DESIGN LUCA NICHETTO

Flamingo è una famiglia di tavolini che ben si adatta a diversi ambienti come bar, ristoranti, zone attese o casa. La struttura è in tubolare di acciaio 45 x 45 mm verniciata, disponibile in 3 altezze e top di diverse dimensioni dalla forma quadrata o circolare. Base con 4 appoggi che garantiscono grande stabilità, dotata di gommini antiscivolo.

Finiture:

La struttura è verniciata nei colori nero, bianco, verde chiaro (ral 6027), rosso beige (ral 3012), giallo (ral 1018) e grigio beige (ral 7006). Il piano è in MDF impiallacciato rovere naturale o laccato bianco o nero.

Flamingo is a family of tables well adapting to use in different environments such as bar, restaurants, waiting areas, home, hotel.

The structure is in varnished steel metal tubular of 45x45 mm, available in 3 heights and top of different size, with rounded or squared shapes.

Four supports base is granting good stability and is provided with non-slip rubbers.

Finishings :

The structure is varnished in colours : black, white, light green (Ral 6027), red/beige (Ral 3012), yellow (Ral 1018, grey/beige (Ral 7006).

The upper top is in MDF veneered natural oak or lacquered white or black.
